

Rose Amor™

ROSES THAT LAST FOREVER

TM

# ROSEAMOR

Our farm and processing plant are located in CAYAMBE - ECUADOR, situated at over 2800 meters above sea level. We are the world's largest producer of the highest quality preserved roses, with unique characteristics such as superior head size and stem length.

Our products are designed to provide different markets around the world with a variety of products that meet their needs.

We have developed over 100 different designs which are available to our customers around the world. Our manufacturing process guarantees that under adequate conditions, our roses last up to 2 years. This makes them a unique product in the world.
